After falling in love over a cup of coffee in Baja, Mexico, Paul and Emily Nichols began their search for their own coffee bean roaster. The couple eventually discovered their antique Italian roaster and immediately began making magic. They roast their coffee beans with hardwood, yielding a deeply rich, unique, and delicious coffee flavor. Paul and Emily also have a strict policy on only purchasing beans that have been grown in humane and environmentally sustainable conditions. They are regulars at many area Farmer's Markets, offering cold-brews, coffee beans, and even their own organic chocolate!
